

AREALIFTING®
THE VERTICAL MOBILITY MANUFACTURER

Link®
the universal car

MADE IN ITALY

Maximum flexibility

We have completely redesigned our cars so that we can offer you all the advantages in a single model.

Link[®]

SimpLift[®]

InDomo[®]

Optimised installations

Link[®] can be installed on both screw-driven (**SimpLift[®]**) and hydraulic (**InDomo[®]**) systems, saving you valuable time for your work.

Maximum configurability

The entire range of previously available finishes, applied to a single car.

Link® combines maximum configurability and maximum simplicity in one single product.

Car fittings

The fittings indicate the type of coordinated finishes for: operating panels, profiles, ceiling and car door frames (**1**, **4**, **6** + car door frame).
